---

## Executive Summary

Web developer/designer with strong communication skills, 4+ years experience, and top-notch design and coding abilities. Proficient with time management and attention to detail. Passionate about the web and user experience.

## Professional Experience

**Media Tools | Bellevue, WA - 2/2005 – CURRENT**

Web Developer/Designer: Sole web developer/designer for the company. Created and currently maintain 3 large websites for Media Tools including a primary website, an e-commerce website, and third website specializing in another distinct product line. These sites have greatly contributed to Media Tools exposure in the marketplace and have led to increased sales opportunities. Utilized DHTML, XHTML, CSS, DOM, JavaScript and PHP technologies in addition to Photoshop. Implementing current technologies in the development of these sites has made these sites both beautiful and functional and has increased user satisfaction.

## Education / Certifications

- **Western Governors University | Salt Lake City, UT**
  Some College Coursework Completed, 1/2008 – 1/2011
      - Bachelor of Science: Information Technology with an emphasis on software
- **CompTIA A+ Certification** – 1/2009
- **CIW Associate Certification** – 4/2008
- **CIW JavaScript Fundamentals** – 5/2009
